

## Card Swap

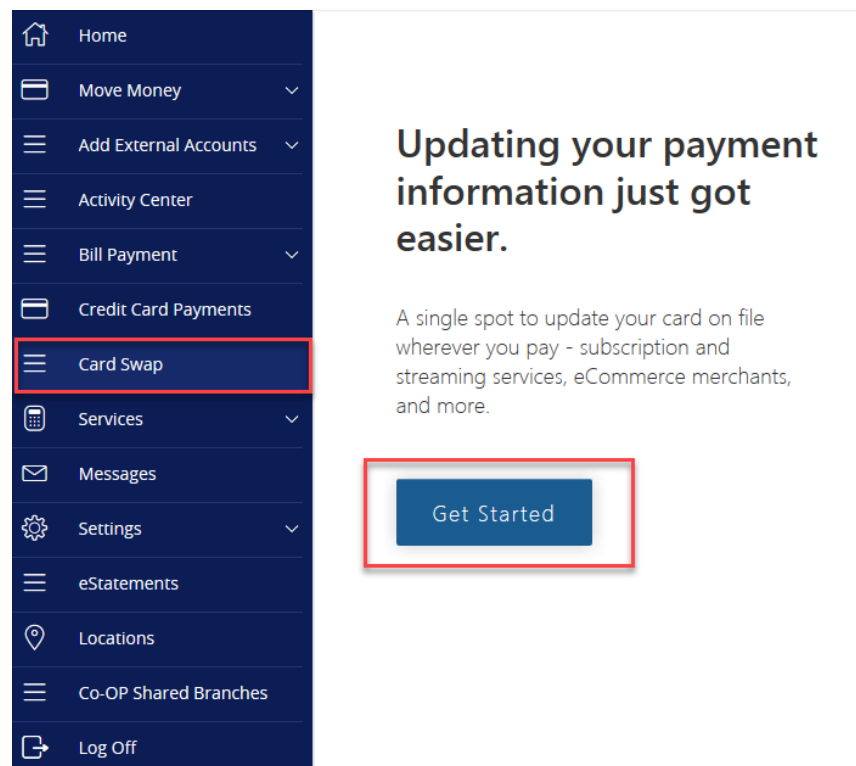

Card Swap, now available through the iBranch Online Banking, allows you to easily modify saved payment information for your online subscriptions, such as Netflix®, Amazon®, and iTunes® by quickly updating your linked AAFCU debit cards(s) and credit card(s).

You may use this feature to...

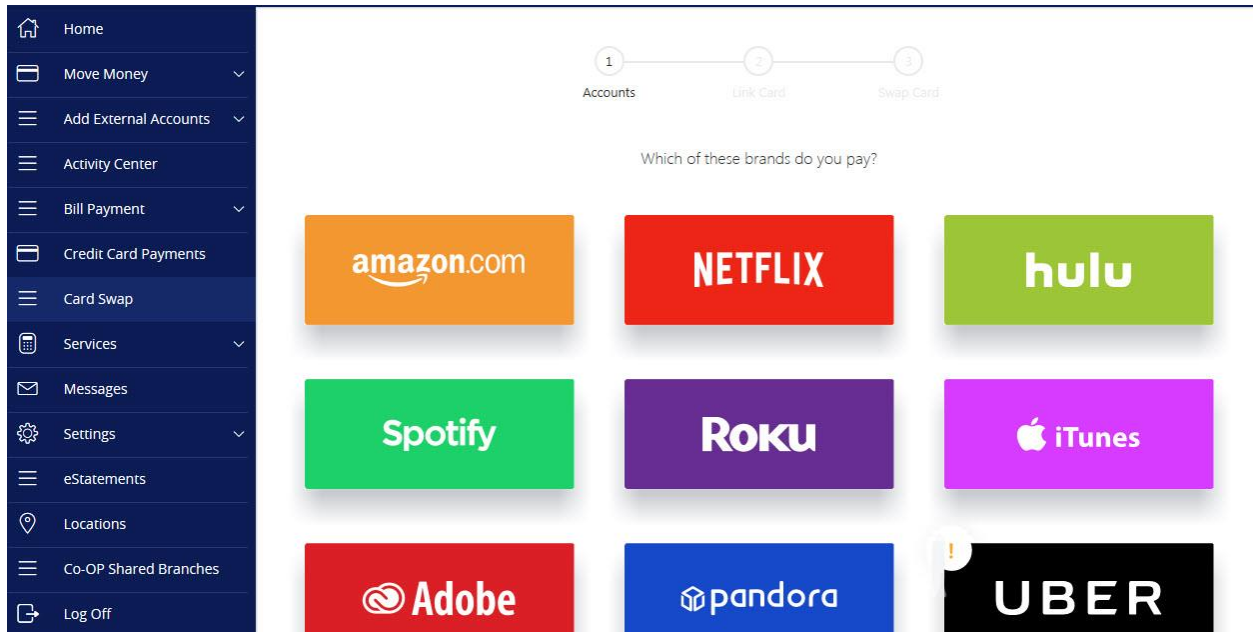

- Swap out your linked AAFCU debit card(s) or credit card(s)
- Update online payment methods when your AAFCU debit or credit card is lost, stolen, or used for fraud.
- Update online payment methods when a renewal AAFCU card arrives.

### Getting started with AAFCU CardSwap

To use AAFCU Card Swap, login to the iBranch Online Banking and click on **“Card Swap”** located within the navigation bar to the left of your screen.

Click the blue **“Get Started”** button

Netflix, Amazon, iTunes or any other companies listed on Card Swap are not associated with, owned by, sponsor, or endorse Air Academy Federal Credit Union or AAFCU Card Swap.

Click on an online subscription you are currently using and have an active account with.

*Note: Once a tile has been selected a green check mark will appear in the top left corner. Clicking twice will deselect the corresponding tile.*

Once you have selected all your current accounts, click the blue **"Next Step"** button located in the top right corner.

To link your new AAFCU debit or credit card(s), simply input all of your AAFCU card information in the correct boxes and click on the blue **"Verify Card"** button located in the bottom right corner.
