

Air Academy Federal Credit Union High School Intern Video and Sound Recording Parental Release and Consent Form

Air Academy Federal Credit Union (AAFCU®) recognizes the need to ensure the welfare and safety of all young people taking part in any activity associated with our organization.

As a result, AAFCU will not permit photographs, video or other recordings of minors to be taken or used without the consent of the parent and/or legal guardian of the children. As your child will be taking part in the application process for the AAFCU High School Internship Program, we require your consent, as the applicant’s parent and/or legal guardian for your child to record a video of their responses to the additional application questions for the position for which they are applying.

By signing this video and sound recording release and consent form, you are irrevocably giving permission to AAFCU, its officers, agents, employees, successors, licensees, and assigns to use the video or sound recordings of your child during the AAFCU High School Internship application process. This consent is completely voluntary and up to you. You will not receive compensation for the use of your child’s image, likeness, appearance, and voice now or in the future.

I understand and agree to the conditions outlined in this video and sound recording release and consent form. As the parent and/or legal guardian of the participant named below and on behalf of my child, I irrevocably give consent to AAFCU, its officers, agents, employees, successors, licensees, and assigns forever to make use of my child’s image, likeness, appearance, and voice in video and sound recordings as described above. I acknowledge that I am fully aware of the contents of this release and am under no disability, duress, or undue influence at the time of my signing of this instrument.
