3. Enter your last name, social security number, date of birth, zip code and last, chosen login ID. Once the form is completed, click **Continue**

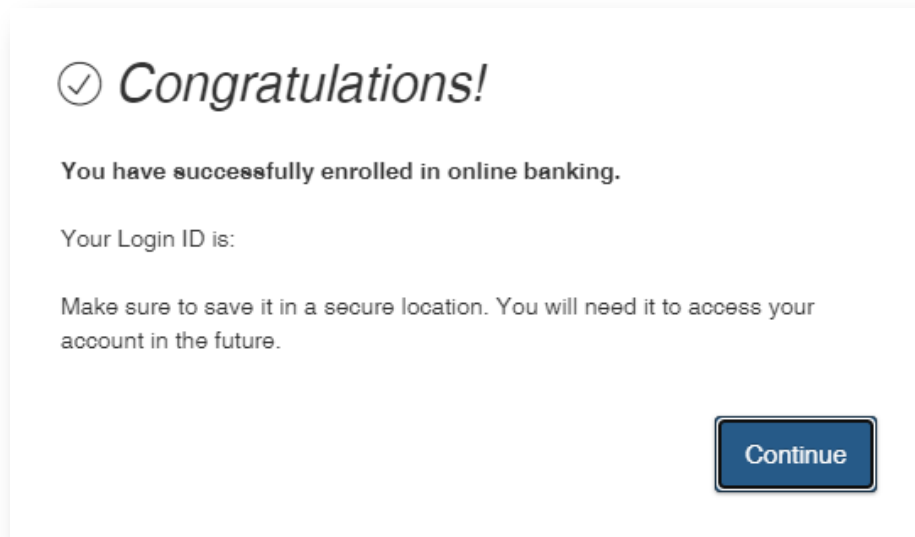

The screenshot shows the 'Online Banking Enrollment' form for Air Academy Federal Credit Union. The form includes the following fields:

- Last Name:
- Social Security Number:
- Date of Birth:
- Zip Code:
- Choose Login ID:

At the bottom right of the form, there are two buttons: 'Back to login' and 'Continue'.

4. You will see the screen below letting you know your enrollment was successfully and your chosen login ID was accepted. Click **Continue**.

The screenshot shows a confirmation message with the following text:

✓ ***Congratulations!***

**You have successfully enrolled in online banking.**

Your Login ID is:

Make sure to save it in a secure location. You will need it to access your account in the future.

At the bottom right, there is a blue button labeled 'Continue'.

5. You will now be prompted to receive a secure access code to confirm your account access. You will see a list of target contacts. Choose which method you would like your secure access code sent to. The secure access code will expire after 15 minutes so you do not need to keep or memorize this code.

The screenshot shows a mobile app interface for AIR ACADEMY FEDERAL CREDIT UNION. At the top, the logo is displayed in white on a dark blue background. Below the logo, the text 'How would you like to receive your access code' is centered. There are three main options presented as dark grey buttons with white text: 'I have a Secure Access Code', 'Call to: : (XXX) XXX-XXXX', and 'Text to: : (XXX) XXX-XXXX'. At the bottom center, there is a small white button with the text 'Back'.

Your phone numbers are blocked out with “X” for security purposes. You will see the last 4 digits of your phone number.

**If you choose:**

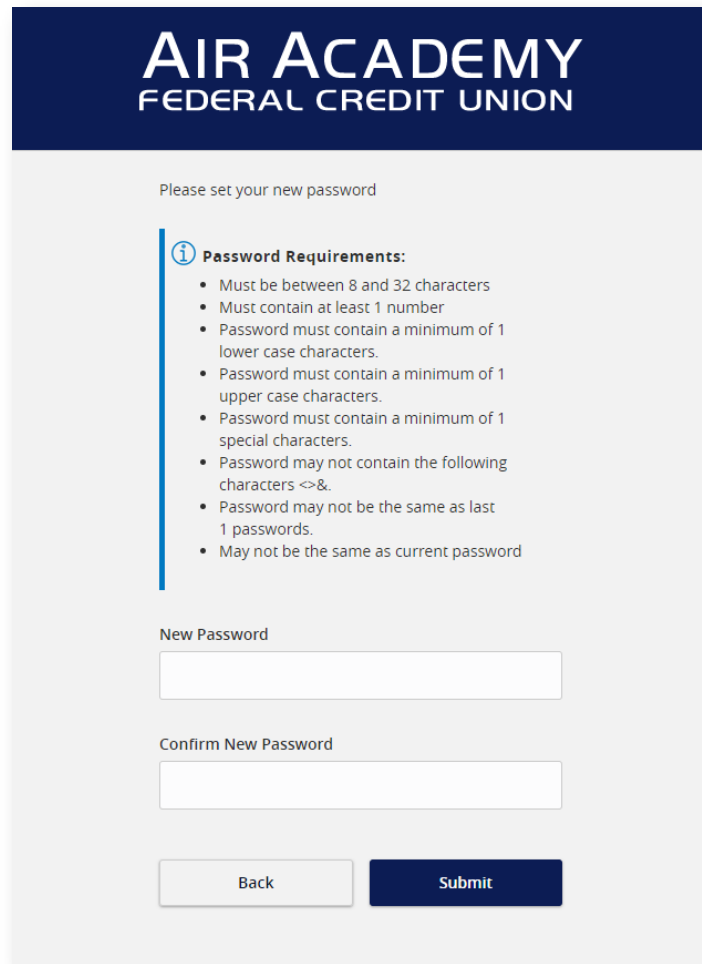

Phone to - you will receive an automated phone call with your secure access code.

SMS - you will receive a text message with your secure access code.

6. Enter the secure access code you received in the box when prompted and click **Submit**.

The screenshot shows a mobile app interface for AIR ACADEMY FEDERAL CREDIT UNION. At the top, the logo is displayed in white on a dark blue background. Below the logo, the text 'Enter your Secure Access Code' is centered. There is a white input field with a light blue border and a cursor, containing the text 'Secure Access Code'. Below the input field, there are two buttons: a white button with the text 'Back' and a dark grey button with the text 'Submit'.

8. Next, you will be prompted to choose a password. The password requirements below will turn red if the password requirement is not met. Once you have entered your password, click **Submit**

The screenshot shows a web page for Air Academy Federal Credit Union. At the top, there is a dark blue header with the text "AIR ACADEMY FEDERAL CREDIT UNION" in white. Below the header, the page is light gray. The main heading is "Please set your new password". Underneath, there is a section titled "Password Requirements:" with an information icon (i) to its left. This section contains a list of seven requirements: 1. Must be between 8 and 32 characters. 2. Must contain at least 1 number. 3. Password must contain a minimum of 1 lower case characters. 4. Password must contain a minimum of 1 upper case characters. 5. Password must contain a minimum of 1 special characters. 6. Password may not contain the following characters <>&. 7. Password may not be the same as last 1 passwords. 8. May not be the same as current password. Below the requirements, there are two input fields: "New Password" and "Confirm New Password". At the bottom of the form, there are two buttons: "Back" (light gray) and "Submit" (dark blue).

9. AAFCU Online and Mobile Banking Service Terms and Conditions will appear. Click **Accept** once you have read the Terms and Conditions.

You may now access your accounts at any time from any registered device. Logging into a separate, unregistered device or browser will require a new secure access code, however your login ID and password will remain the same.
